The University of Exeter is comprised of three campuses. Streatham Campus is where the INTO Centre is located and where you'll find the majority of our subjects, including Business, Law and Humanities. Nearby St Luke's Campus is where Sport Science and Medicine are taught, and Penryn Campus in Cornwall is home to subjects including Biosciences, Renewable Energy and Geology.

At INTO Exeter, I knew I'd be able to gain access to everything the University students had, such as the vast library and facilities, while also getting that one-to-one attention you get at INTO. It was the best way to start my university experience.

### WORLD-CLASS TEACHING

With 17 subjects in the UK top 10<sup>1</sup>, you are guaranteed a top education here. A QS world top 150 university<sup>2</sup>, you'll learn with experts at the forefront of their fields. The University of Exeter is at the forefront of cutting-edge science, engineering, mathematics, and medicine research, and has a world-class reputation in the humanities and social sciences - so your teaching will be informed by important research into global issues.

### TRIPLE ACCREDITED BUSINESS SCHOOL

The Business School is triple accredited by the three largest and most influential business school accreditation organisations worldwide:

- EFMD Quality Improvement System (EQUIS)
- The Association of MBAs (AMBA)
- The Association to Advance Collegiate Schools of Business (AACSB)

This prestigious triple accreditation is held by less than 100 schools globally!

### GLOBALLY EMPLOYABLE GRADUATES

Your graduate employability is the University's priority, so you will receive help in gaining the skills you need to compete in the international job market. You will benefit from:

- 64% of undergraduate progression degrees across all six colleges having an option with work experience
- a range of employability initiatives, such as the preparatory 'China Career Ready Programme'
- careers workshops and guidance from the Career Zone during your studies and after graduation
- the Exeter Award – helping you to develop professional skills and receive vital workplace experience

### OUTSTANDING CAREERS SERVICES

With 90% of graduates in employment or further study six months after graduation<sup>4</sup>, the University has award-winning careers services. These include:

- social enterprise support
- student entrepreneurship
- industrial experience or a year abroad

### WELCOMING COMMUNITY

With more than 27,000 students from 130 different countries, the University of Exeter is a truly international university. The University's campuses offer a safe, convenient and diverse community where you will find a warm welcome and a lot going on.

The Streatham Campus is considered one of the most beautiful in the UK, with gardens, lakes and parkland throughout. Located in the historic city of Exeter, the campus is just a 15-minute walk from the city centre, so you can easily enjoy the restaurants, shops and cultural activities on offer.

### SUPPORTIVE LEARNING ENVIRONMENT

You'll receive lots of support during your degree. The International Student Support Office is the place to go for help and advice relating to your welfare. Staff will help you with any immigration and visa issues and organise events with societies for you to enjoy. Plus, the free Insessional programme means that you can still enjoy personalised English language support from INTO after you progress.

# YOUR GUIDE TO CAMPUS LIFE >>

You'll be based at the Streatham Campus during your INTO course. Surrounded by beautiful parkland and home to cutting-edge facilities, this inspirational campus is the ideal environment to live and study in. You'll experience the best of student life here.

### INTO STUDY CENTRE

The INTO Centre is the place to go to attend classes and study during your pathway programme, located opposite the Forum – a £48 million study and social space that houses lecture theatres, the library and other convenient facilities.

INTO University of Exeter provides university-style teaching to prepare you for the University. You'll benefit from:

- **a Learning Resource Centre** with a variety of academic materials and quiet study spaces
- **a large lecture theatre** for you to experience university-style lectures
- **two multimedia rooms** to access specialist software such as Geogebra, Solidworks and MATLAB
- **a science laboratory** with high quality equipment for hands-on learning
- **an INTO Café** to grab hot food, hot and cold drinks, and snacks

### UNIVERSITY FACILITIES

The Streatham Campus is a registered botanical garden filled with specialist plant collections, so you'll find plenty of pretty and peaceful spaces to study.

INTO students also have access to many of the University's facilities, such as:

- **The Forum** – home to useful facilities including a 24/7 three-floor library, a Student Services Centre, food outlets and learning spaces
- **Sports Park** – outstanding sports facilities, including a swimming pool, golf centre, football pitches and courts
- **Northcott Theatre** – an on-campus venue where you can watch music, dancing and theatre productions
- **Bill Douglas Cinema Museum** – one of the biggest TV and film material collections in the UK
- **Multi-faith Chaplaincy** – a safe space for personal and group worship

### STUDENT SOCIAL LIFE

In your first week, you'll take part in an orientation programme to help you settle in. We'll help you adjust to life in Exeter by showing you around campus and introducing you to your classmates. Then, during your time here, you can:

- **join one of 250+ clubs and societies** – from cultural societies and the International Society, to gaming, anime, music and arts societies, as well as sports clubs and the INTO Exeter Society, run by ex-INTO students
- **visit the Lemon Grove** to attend fun events, club nights and live music gigs
- **go to the Ram Bar** to take part in quiz nights, karaoke and watch live sports
- **enjoy day trips** across the UK, as well as INTO Centre events

### WE'RE HERE TO SUPPORT YOU

From the moment you arrive, the INTO Student Services team will help you with any issues. Then, when you progress to the University of Exeter, you'll receive support from the International Student Support Office. INTO's services include:

- help opening a bank account and registering with a doctor
- extra support for students under the age of 18
- 24-hour telephone helpline for out-of-hours questions
- dedicated immigration advice and visa support

INTO classes link English learning with study skills, so students are familiar with how to study once they progress to the University. The lessons incorporated taking notes – a skill I used in lectures – as well as time management and presentation skills, which I hadn't done before.

## English courses

Study English at the University of Exeter to improve your English level fast with tailored, personalised support and for the smoothest transition to further UK academic studies.

### EN Academic English

This course is for you if:

- > You want to study an English course that is more than language learning – you'll develop the academic skills needed to successfully study in the UK.
- > You want to benefit from studying in an English-speaking environment where you can easily practice your language skills and immerse yourself in the culture.

How will Academic English benefit me?

- Learn through a carefully designed course of blended learning, using a variety of face to face sessions and online learning resources.
- Improve the accuracy and fluency of your communication and become more confident in using English, engaging with the local community and learning about the University and its surroundings.
- Improve your skill and confidence in using various kinds of internet communication technology and learn how to engage with academic communities at the University.
- Extended International Foundation and Graduate Diploma courses available with a term of Academic English in one programme.
- You'll finish the course with these essential university skills: reading academic texts; listening and note-taking; participating in seminar discussions; delivering academic presentations; conducting and evaluating online and library research; incorporating sources for essay writing; and using critical thinking and study skills.

### EN Pre-session English

This course is for you if:

- > You are academically qualified and hold an offer from the University of Exeter.
- > You need to improve your English language skills to the level required for your degree.

How will Pre-session English benefit me?

- Adjust to living and studying in the UK and to the style, challenges and expectations of the UK higher education system.
- Receive continuous feedback on your work and benefit from excellent tutorial support from your teachers, helping you to improve your core English skills quickly.
- On completion of the Pre-session English course, you will be able to successfully progress to your chosen degree at the University of Exeter.

### EN I want to increase my everyday English – what course do I choose?

There are year-round **General English courses** with flexible start dates and course lengths for students who want to increase their confidence in using everyday English for general life, work, socialising and travel in the UK.

# SUCCESSFUL INTO ALUMNI

“ I enjoyed the freedom of selecting modules. Although I did Accounting and Finance, I could choose to do management modules, languages or mathematics modules. This was great because I could learn even more about what I'm interested in.

**Khin, Myanmar**  
Consulting Analyst,  
McKinsey & Company  
BSc (Hons) Accounting and  
Finance, University of Exeter

“ With an industrial placement, you gain more industry insight and develop employability and communication skills. By gaining hands-on experience, I found my passion for sales, project and pipeline management, as well as a clear career plan.

**Hugo, Hong Kong**  
Commercial Graduate Trainee,  
EDF Energy  
BA (Hons) Management and  
Marketing with Industrial  
Experience, University of Exeter

“ I strongly believe that we need more women in STEM, and I wanted to pass on my skills to other girls, so I co-founded a company called Code for Girls. Being at INTO is good preparation for university and your career.

**Deema, Saudi Arabia**

Co-founder and Instructor,  
Code For Girls  
BSc (Hons) Computer Science  
with Proficiency in Spanish,  
University of Exeter
